

Love Letter to Pussy

Dear beautiful, powerful Pussy,

I've been working so hard at learning to worship you - your sacredness, your life force energy, your beauty, and your capacity for pleasure.

You give me so many reasons to celebrate you each and every day, and I want to take this chance to do that.

I'm so unbelievably grateful for the healing we're doing together, and I love watching you come alive and awaken with the practices we're learning.

Your power is truly unmatched, and when I connect deeply with you, I feel our potential for pleasure is endless.

I want you to know you are so incredibly beautiful, every part of you, every fold of skin, your shape, and your colors.

The way you experience life is inspiring, and I encourage you to continue using your sacred energy to have awakening experiences for us both.

You leave me in awe of your wisdom and I love you profoundly for walking this path of pleasure and life alongside me.

I know you thrive in an environment of devotion and love, and I will always remind you that you're perfect exactly as you are.

I promise to be more mindful of your needs and desires as we continue learning more about each other, and to celebrate you at every opportunity. You gift me things no one and nothing else can, and I will never take that for granted.

I'm here to protect you and allow you to tell me what you need, when you need it, and how you need it, and to meet your needs with gratitude.

Please take your time going forward to express what feels right and what doesn't, and make it known what I can do to help you feel comfortable and appreciated.

In deep gratitude and celebration of you!

I will love you always.
