In this guide, you'll discover a beautiful, integrative process for creating a shared intention...

Followed by a step-by-step Sex Magic practice you can use to call that vision to life in 2025.

YOUR TOP INTENTION FOR 2025

Spend 20-30 uninterrupted minutes brainstorming the top desire you would both love to manifest together as a couple in 2025.

EXAMPLES:

"We'd like to buy our dream home this year."

"We'd like to take a romantic, week-long holiday together this year."

"We'd like to become healthier together."

Take this time to share everything you'd like to call in with each other, then write your top desire in the space below so you have a clear intention to manifest using your Sex Magic practice.

Take a moment to close your eyes and imagine what it would feel like, as a couple, for your top shared desire to come to life (you can have more than one!). Your feeling state is a key piece in manifesting your deepest desires.

<i>Sexy</i>	<i>Invigorated</i>

Now, out of all the feelings you identified, choose the top feeling that embodies your intention for 2025.

YOUR TOP FEELING AS A COUPLE:

Now that you've decided on a clear intention together and identified your top shared feeling, you're ready for a potent Sex Magic practice.

Using the power of both of your pleasure and sexual energy combined will quite literally put you on the manifestation expressway...

So I'm going to share with you a step-by-step version of Sex Magic you can practice as a couple to call in your dream year in 2025!

SEX MAGIC FOR MANIFESTATION IN 2025

1. Gather any lube or toys you'd love to use during your ritual and light a few candles to create a sacred space.
2. Sit facing each other and take 3 deep breaths to center yourselves, feeling a ring of white light surrounding you both, protecting and honoring your Sex Magic ritual.
3. Think back to your top shared intention and speak it out loud, aligning on your desire to bring it to reality together in 2025.
4. State out loud *this desire will manifest in alignment with the good of all beings*, and feel for a yes or no in your bodies, reworking your desire until a full yes arrives for you both.
5. Begin to stroke, kiss and turn each other on, building a vibration of love and passion.

SEX MAGIC FOR MANIFESTATION IN 2025

6. As you continue building pleasure and making love, swirl your turn on through each of your chakras, from your root chakra to your crown, activating each area of your bodies.
7. Once both of your pleasure has built to a peak or orgasmic state, send the energy out from your crown into the universe, focusing on a detailed vision of your intention and the top shared feeling you identified.
8. Feel the energy come back down into your body, chakra through chakra, all the way to your feet as you allow the vision to become real.
9. Take a few moments to share your experience with each other and integrate your vision for the future into your partnership.

YOUR SEX MAGIC FOR MANIFESTATION IS NOW COMPLETE!

This is an extraordinarily powerful process and you can do it with any of your desires together.

We were meant to co-create with the magic of the Universe in our sacred partnerships...

So drop into your deepest pleasure together and enjoy using your sexual energy, chemistry and bodies to unlock your deepest desires in 2025.
